MUNGER
PHYSICAL THERAPY

We would like to personally thank you for choosing us to serve you for your physical therapy needs. Our team takes pride in offering a professional and friendly environment for you to rehabilitate. Our goal is to create a safe and comfortable environment for all to heal using the most up-to-date and advanced treatment techniques to provide a quick recovery.
If you have any questions regarding physical therapy one of our licensed therapist would be happy to speak with you. Please call the front desk to arrange this. Any questions regarding billing can be addressed to Judy at the Fort Gratiot location. Any other business inquiries can be addressed to the business manager, *Julie Munger*.

Before your first visit there are a few things we would like you to be aware of:

- If you are coming to be evaluated for the neck or shoulder, please consider a tank top or sports bra so we have access to your shoulder and neck.
- If you are coming to be evaluated for you low back, hips, knees, or feet please bring loose fitting shorts (If you do not have them, we can provide them for you).
- The first visit will last about an hour and will include a thorough examination, a functional report survey, and in many cases exercises to be done at home.
- A physical therapy program may last 4-6 weeks based on your need, so bring your calendar to set up appointments.
- Remember your prescription for your physical therapy if you have one, an updated health history form, current medication list, your insurance card and a current ID.
- Please arrive 15 minutes early.

We look forward to working with you to achieve your goals
